

Who says great leaders are born and not made?

Western's Richard Ivey School of Business has been educating great leaders since 1922. With more Chief Executives among our graduates than any other Canadian business school, and alumni working in 95 countries, Ivey is creating cross-enterprise leaders who are deeply committed to building better businesses and stronger communities around the world.

MAKE A DIFFERENCE

Learn more about cross-enterprise leadership, and how Western is educating the next generation of global leaders.
