

Student Awards

One of the ways Western provides the best student experience among Canada's leading research-intensive universities is through the many awards, scholarships and bursaries that support our students at all levels of their education. These talented and deserving students possess the vision, drive and determination to assume leadership positions in their careers.

Thank you to our many donors who help build our student awards program. Your gifts help Western educate the next generation of global leaders.

This listing reflects namings between May 1, 2007 – September 30, 2010.
